POST PROFILE

Law Enforcement Explorers, through training and completion of Law Enforcement Explorer classes, can be involved in performing a multitude of law enforcement tasks. The Explorer is a civilian volunteer involved with SCMPD on a part-time basis. Law Enforcement Explorers may be engaged in the following types of activities to assist a sworn police officer:

- **Traffic and parking control**
- **Special event guides**
- **Typing, filing and other clerical activities**
- **Child identification programs**
- **Crime prevention programs**
- **Community assistance programs**
- **Patrol support services (only when assigned directly under the supervision of a sworn Police Officer)**
- **Other related duties as approved by the Post Advisor or Senior Explorer Advisor**

Law Enforcement Explorers also attend 2 meetings a month, where they participate in hands-on training and other fun learning activities.

The Savannah-Chatham Metropolitan Police Department is committed to the development of youth programs designed to build virtuous character, promote good citizenship, develop physical and mental fitness, educate and engage youths in understanding police operations, interest them in potential law enforcement careers and build mutual trust and respect.

EXPLORER POST OVERVIEW

The Savannah-Chatham Metropolitan Police Department offers the police exploring program for youth. The objective of the program is to offer teenagers and young adults (ages 14-20) an opportunity to experience hands-on engagement and learning experiences with law enforcement professionals. Some of the requirements to become a Law Enforcement Explorer are;

- **A youth, aged 14-20**
- **Be interested in a career in law enforcement**
- **Maintain a 2.1 grade point average**
- **Be of good moral character**
- **No prior convictions or serious traffic violations**
- **Pass a background check and oral board interview**
