

WHAT IS GIRL CONNECTION

Girl Connection was established in 2024 by the Savannah Impact Program and Officer Jhamiyah Davis of the Savannah Police Department. Officer Davis envisioned empowering young women in the community as a way to combat the rising crime rates affecting them.

Recognizing the need to reach this younger generation, she aimed to guide them toward positive paths and protect them from negative influences. With support from Program Director Ms. Daniels, local school counselors, and community partners, Officer Davis has been able to identify and connect young women who would benefit from the Girls Connection Program. The program focuses on uplifting and mentoring these young women, helping them build a strong foundation for their futures.

OUR GOAL IS TO EMPOWER

AS WE CAN
